

Abi's Baby Footprints Bank

Newsletter 3
September 2019

Run by New Life Church, Gt. Cornard – Reg. Charity No. 1162045

We are very grateful for all the help we receive from local people who provided almost everything we needed to respond to the **66 requests received in the 6 months March to August 2019. We distributed over 2490 items** ranging from Bibs to Buggies, Bottles to Baths and Baby Clothes to Bouncer Chairs. You name it – we've probably got it!

Highlights from the last 6 months

- **Sudbury on Show in March** was a great opportunity to chat with local people, learn about other community groups and spread the word about what Abi's Footprints Baby Bank can offer
- **Summer Shine** is an annual outdoor event run by New Life Church in Great Cornard. This year it featured inflatables, a water slide, archery and many other fun activities including a special Abi's Footprints area to keep little ones active and busy. Look out for Summer Shine again next July!

Coming up in Great Cornard!

- **Oasis** Do come and join us in this new venture! You'll find us in the new wing at **The Stevenson Centre**. Also coming up, we hope to set up an Abi's Footprints 'Hub' in Great Cornard, more conveniently located for local families.
